

Intro to Fiction Writing (ENGL301)

Survey of American Film and Culture (ENGL373)

Beginning Drawing (ARTS225)

RICE UNIVERSITY  
Visiting Owls

## Earn Rice College Credit This Summer

This summer you could take a course that changes your course. With the Rice Visiting Owls program, you can earn college credit in everything from General Physics, to Intro to Fiction Writing, to Medical Humanities. Students also get to engage and collaborate with our exceptional Rice Faculty.

### Who is the program for?

We're happy to review applications from Visiting High School students (classes of 2024, 2025 and 2026 only), Visiting College Students, and Visiting College Graduates (post-baccalaureates).

For Summer 2024, Rice is offering both 100% online and on-campus (commuter/face-to-face) course options. At this time, Rice Visiting Owls is a non-residential program.

### Which types of courses do we offer?

Based on student interest and demand, we offer a wide range of STEM, Business and Humanities courses! You'll find unique and interesting courses from world-class Rice schools and departments, including:

- Natural Sciences & Environment (including Pre-Med)
- Engineering
- Business
- Math
- Humanities
- Social Sciences & Sports Management

### What are the dates?

Choose from 6 summer blocks to fit your summer schedule.

### How much does it cost?

The special Visiting Owls summer tuition is \$1,000 per credit hour—a 58% discount from the standard \$2,384 per credit hour.

Students and families can visit [visitingowls.rice.edu](http://visitingowls.rice.edu) to request program information or start their applications. See you this summer!

Intro to Sport Management (SMGT260)

Literature & Medicine (ENGL272)
